

## jacky davies

Jacqueline Davies is a freelance consultant and trainer. She is a qualified social worker with over twenty years of national and international experience in the public, independent and voluntary sector specialising in Children and Families Services.

Jacqueline has a proven track record in the development and management of outcome- orientated service delivery processes with a focus on assessment, analysis and effective case recording.

Jacqueline has delivered training on risk management, decision making in complex environments and continuous performance improvement. Jacqueline has an outcome approach to her work with vulnerable children and their families .She is an experienced trainer in Outcome Based Accountability (RBA) and an active member of the UK Outcomes Networking Group.

The breadth and depth of Jacqueline's experience is drawn from her previous roles as lead for Looked After Children and as a Principal Officer for Child Protection responsible for the management of case conferences and reviews. She has also most recently worked at a national level with a large voluntary organisation, responsible for the delivery of a number of high profile organisational projects to support a range of critical business processes including Safeguarding / Child Protection, Business Planning, Performance Accountability and Workforce Development.
